Human-Computer Interaction: Concepts, Methodologies, Tools, and Applications - Management Association, Information Resources 2015-10-02 As modern technologies continue to develop and evolve, the ability of users to interface with new systems becomes a paramount concern. Research into new ways for humans to make use of advanced computers and other such technologies is necessary to fully realize the potential of 21st century tools. Human-Computer Interaction: Concepts, Methodologies, Tools, and Applications gathers research on user interfaces for advanced technologies and how these interfaces can facilitate new developments in the fields of robotics, assistive technologies, and computational intelligence. This four-volume reference contains cutting-edge research for computer scientists; faculty and students of robotics, digital science; and networked communications; and clinicians
invested in assistive technologies. This seminal reference work includes chapters on topics pertaining to system usability, interactive design, mobile interfaces, virtual worlds, and more.

**War, Wine, and Taxes**-John V. C. Nye 2018-06-26 In War, Wine, and Taxes, John Nye debunks the myth that Britain was a free-trade nation during and after the industrial revolution, by revealing how the British used tariffs--notably on French wine--as a mercantilist tool to politically weaken France and to respond to pressure from local brewers and others. The book reveals that Britain did not transform smoothly from a mercantilist state in the eighteenth century to a bastion of free trade in the late nineteenth. This boldly revisionist account gives the first satisfactory explanation of Britain's transformation from a minor power to the dominant nation in Europe. It also shows how Britain and France negotiated the critical trade treaty of 1860 that opened wide the European markets in the decades before World War I. Going back to the seventeenth century and examining the peculiar history of Anglo-French military and commercial rivalry, Nye helps us understand why the British drink beer not wine, why the Portuguese sold liquor almost exclusively to Britain, and how liberal, eighteenth-century Britain managed to raise taxes at an unprecedented rate--with government revenues growing five times faster than the gross national product. War, Wine, and Taxes stands in stark contrast to standard interpretations of the role tariffs played in the economic development of Britain and France, and sheds valuable new light on the joint role of commercial
and fiscal policy in the rise of the modern state.

**The Touch of Twilight**-Vicki Pettersson 2009-10-13 On the
surface she's a sexy, sophisticated socialite, at home among the beautiful people of the Las Vegas upper crust. But Joanna Archer inhabits another world: a place ordinary humans cannot see . . . a dangerous dimension where an eternal battle rages between the agents of Light and Shadow. And Joanna is both. Stalked by an enigmatic doppelganger from a preternatural realm, Joanna can feel the Light failing—which is propelling her toward a terrifying confrontation with the ultimate master of evil, the dark lord of Shadow: her father. Vegas is all about winning big . . . or losing everything. To save her friends, her future, her worlds, Joanna Archer must gamble it all by fully embracing the darkness inside her.

The Best Question Ever - Andy Stanley 2009-04-23 We’ve all done dumb stuff in our lives. We all have regrets. Yet none of us plans to mess up our lives. Why, then, does it keep happening? Life doesn’t have to be that way. You can fool-proof your life...as this book shows. God’s promise and pattern is for something better. In The Best Question Ever, Andy Stanley effectively teaches the practical and lasting value of simply asking this question about our actions in all of life’s arenas: What is the wise thing for me to do, in light of my past experience, my present circumstances, and my future hopes and dreams? This book probes for honesty —it pushes us to open our eyes to reality and helps us expose the little (and big) self-deceptions we have. Prepare yourself. You are about to be introduced to a single question that will revolutionize the way you make decisions. Over the past twenty years, speaker and author Andy Stanley has
shared the power of this question with thousands of students and adults all over the country. In this ground-breaking new book, Andy provides you with a filter through which to evaluate every decision in every arena of your life. As you are about to discover, the Best Question Ever will bring clarity to decisions involving your finances, your love life, your schedule, even your career. People everywhere agree that their greatest regret could have been avoided had they asked the Best Question Ever and then acted on their conclusions. A time-tested truth that has immediate application, the Best Question Ever has the power to change the trajectory of your entire life. Story Behind the Book After continually making decisions that were short-sighted and hasty, Andy Stanley sought counsel. In Ephesians 5:15 he read, “Be very careful, then, how you live—not as unwise but as wise.” It was there that Andy discovered what he considers to be The Best Question Ever. From the Hardcover edition.

The Big Book of Girl Stuff: Bart King 2014-08-21 As a middle school teacher, author Bart King listened carefully to the wisdom of his girl students. Along with his five sisters (!), their knowledge made The Big Book of Girl Stuff a classic that Parenting magazine has called “a must-have for girls.” This updated and redesigned edition of The Big Book of Girl Stuff is still loaded with fascinating facts, activities, quotes, games, and insightful information and advice on important topics. This humorous and informative resource is filled with everything a girl needs to know and celebrates all the things that make being a girl so wonderful. And not only
is it a perfect handbook for preteens, ’tweens, and teens, but it will delight moms, aunts, and big sisters as well!

**The Scrapbook of Frankie Pratt**-Caroline Preston  
2011-10-25 Using a vast array of vintage memorabilia, this beautiful full-color novel, told in the form of a scrapbook, follows Frankie Pratt who, dreaming of becoming a writer in 1920, goes to Vassar, which becomes a stepping stone to an international adventure until a family crisis forces her to come home. 40,000 first printing.

**Dancing with Werewolves**-Carole Nelson Douglas  
2009-06-16 Paranormal investigator Delilah Street, who watched underworld beings like vampires and witches move into the real world during a Y2K television broadcast as an orphan, moves to Las Vegas to search for a possible blood relative shown on CSI. It was the revelation of the millennium: witches, werewolves, vampires and other supernaturals are real. Fast-forward 13 years: TV reporter Delilah Street used to cover the small-town bogeyman beat back in Kansas, but now, in high-octane Las Vegas—which is run by a werewolf mob—she finds herself holding back the gates of Hell itself. But at least she has a hot new guy and one big bad wolfhound to help her out...

**Abdominal-Pelvic MRI**-Richard C. Semelka 2011-09-26
This landmark reference provides the most complete coverage of magnetic resonance imaging of the abdomen and pelvis, with particular emphasis on illustrating benign, malignant, and inflammatory lesions. Organized by anatomic region, the text presents brief descriptions of pathophysiology followed by detailed discussion of characteristics of the relevant organ or system. Extensively updated and revised throughout, the new third edition includes over 2,500 figures, of which more than 500 are all-new, including over 200 3T images presented throughout the organ systems. Two all-new chapters are also included, one discussing MRI in pregnancy, and another on MRI of the Breast.

**Paul**-Beth Moore 2010-10-01 Best-selling author Beth Moore has a remarkable gift for crafting insightful Bible character studies. Millions have been drawn to her inspired lessons, and the media has called her “America’s Bible teacher.” The PERSONAL REFLECTIONS series continues to reintroduce Beth’s most beloved character-driven books, expanding them into 90-day experiences that include nearly all of the text from her original work, plus thoughtful questions and journal space to engage readers throughout this special time of study. Paul: 90 Days on His Journey of Faith is the new presentation of Moore’s enduring favorite, To Live Is Christ. Indeed, life with Christ meant a 180-degree turn for the apostle Paul who went from Christian basher to Christian chapmion, from church attacker to church father. When Jesus captured Paul’s soul, He got all
of him. The same can be true for you.

**The Misenchanted Sword**-Lawrence Watt-Evans  
2017-02-23 Ethshar and the Northern Empire have been at war for hundreds of years. No one remembers why anymore or over what. No one dreams it could ever end until a wizard creates a sword that makes its user unbeatable.

**If God was a Banker**-Ravi Subramanian 2007 Two young management graduates, with nothing similar in family backgrounds and temperament, join the New York International Bank on the same day and take two entirely different routes to success. Both rise up the ranks at breakneck speed: the fast and aggressive Sundeep, who will stoop to anything to get ahead, and the mature and sensible Swami, with a high regard for good old ethics. The racy narrative set in the high-pressure milieu of competitive banking carries the undercurrent of a clash of values, in the intermeshed realms of the personal and the professional. This is a story peppered with ambition and frustration, deceit and malevolence, love and lust, and the desperate struggle for status and power. And, above all, there is a top-notch banker who plays the benevolent God whenever crises loom over the young guns& An insider's fictionalised account of how Indian professionals experience the world of foreign banks, the story spans three continents.

A Love Story of Impossible Bottles-Kathy Brown
2014-11-07 A Love Story of Impossible Bottles (Second Edition) is author Kathy Brown's gift to her husband, Chris A. Brown, who tragically died in a skydiving accident on July 7, 2012, at the age of fifty-two. A special and unique person with many interests and talents, Chris was the master of the art of impossible bottles and the original owner and founder of the website insidethebottle.com. This book is based upon a beautiful concept: Impossible Bottles, all of which hold some special memory. According to the author, the bottles described in this book symbolize a person's heart. We don't easily let everything come in, but when someone or something is special and dear to us, it stays in our hearts like the memories captured in those bottles.

**Angels Burning**-Tawni O'Dell 2016-01-05 From the New York Times bestselling author of Back Roads, “a no-holds-barred, page-turning, perfectly crafted thriller” (Heather Gudenkauf, author of The Weight of Silence) following a
small town police chief who’s forced to dig into her own shadowy past as she investigates the murder of a teenage girl. On the surface, Chief Dove Carnahan is a true trailblazer who would do anything to protect the rural Pennsylvanian town where she has lived all fifty of her years. Traditional and proud of her blue-collar sensibilities, Dove is loved by her community—but she hides a dark and self-destructive streak, fed by a secret she has kept since she was sixteen. When a girl is beaten to death and her body tossed down a fiery sinkhole in an abandoned coal town, Dove is faced with solving the most shocking crime of her law enforcement career. She identifies the girl as a member of a local family of petty criminals. To further complicate things, the man convicted of killing Dove’s mother is released from prison and reveals a startling accusation. Dove now must face the chilling parallels between her own family’s trauma and that of the dead girl’s. “A darkly compelling look into how the past colors the present, this psychological thriller will linger” (RT Book Reviews) with you long after you turn the final page.

Letters Home from the Crimea-Temple Godman 1999
Among the British troops bound for the Black Sea in May 1854 was a young officer in the 5th Dragoon Guards, Richard Temple Godman, who sent home throughout the entire Crimea campaign many detailed letters to his family at Park Hatch in Surrey. Temple Godman went out at the start of the war, took part in the successful Charge of the Heavy Brigade at Balaklava and in other engagements, and did not return to England until June 1856, after peace had
been declared. He took three horses and despite all this adventures brought them back unscathed.
