River Basin Management V-C. A. Bребbia 2009-08-25 Summary. In this valuable contribution to the field of river basin management, Bребbia (Wessex Institute of Technology, UK) compiles 35 papers from a conference that presented recent advances in all aspects of hydrology, including ecology, environmental management, flood plains and wetlands. Academics and practitioners address the planning, design, and management of riverine systems, including the development of software modeling and GIS tools for predicting water flow, water quality, sediment transport, and ecological processes. Case studies of national, regional, and international challenges, priorities, and agreements treat topics including erosion control systems, climate change, and conflicts between hydropower generation and fish habitat interests. Illustrations include drinking water catchment areas, hydrographs, and areas of pre- and post-flooding/restoration.

Volcanism and Tectonism Across the Inner Solar System - T. Platz 2015-01-05 Volcanism and tectonism are the dominant endogenic means by which planetary surfaces change. This book aims to encompass the broad range in character of volcanism, tectonism, faulting and associated interactions observed on planetary bodies across the inner solar system - a region that includes Mercury, Venus, Earth, the Moon, Mars and asteroids. The diversity and breadth of landforms produced by volcanic and tectonic processes is enormous, and varies across the inner solar system bodies. As a result, the selection of prevailing landforms and their underlying formational processes that are described and highlighted in this volume are but a primer to the expansive field of planetary volcanism and tectonism. This Special Publication features 22 research articles about volcanic and tectonic processes manifest across the inner solar system.

Growing Forward When You Can't Go Back - Laurie Pawlik 2019-01-01 After life is shattered by loss or a traumatic experience—whether big or small—it can seem impossible to heal or even move on. Deep down you believe God intends good for you, but you just don’t have the energy or strength to figure out how to move forward. Author Laurie Pawlik has been there, and here she shares how she flourished despite multiple losses. Through practical tips and thought-provoking questions, she helps you take small yet powerful steps toward healing and letting go. She also offers insights and encouragement from the lives of strong women in the Bible. You’ll glimpse the painful losses these women experienced and learn how they flourished despite seasons of hardship and grief. You’ll discover how God shows His presence and power in the valleys, deserts, and storms. And you’ll feel a fresh sense of hope that, with God, you can redefine yourself, remake your life, and grow forward into a beautiful new season.
